

Kaia and the Sun

ACTIVITY BOOK

Back-to-School Summer Fun

Hi there!

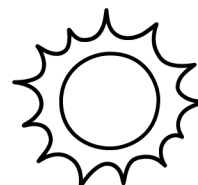

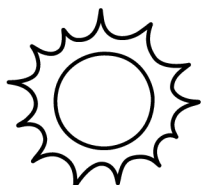

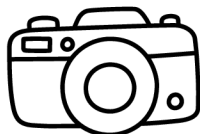

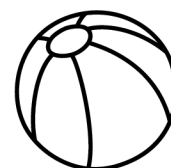

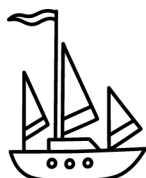

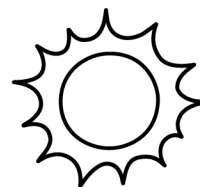

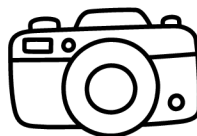

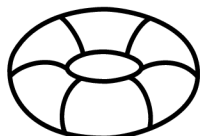

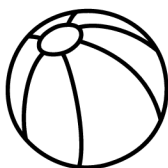

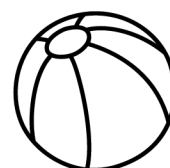

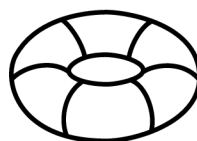

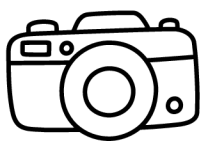

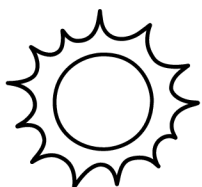

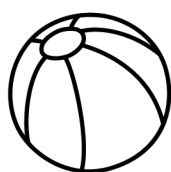

Thank you for reading Kaia and the Sun.

I hope you liked the story and the “Let’s Talk” discussion questions at the end of the book.

In this booklet, I’ve created some coloring pages and activity pages of things Kaia likes to do. Have fun with them!

This book belongs to:

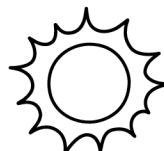

Kaia loves to play Beach-I-Spy with Grandma. Count and write how many of each of the objects you see in the little squares.

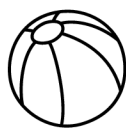

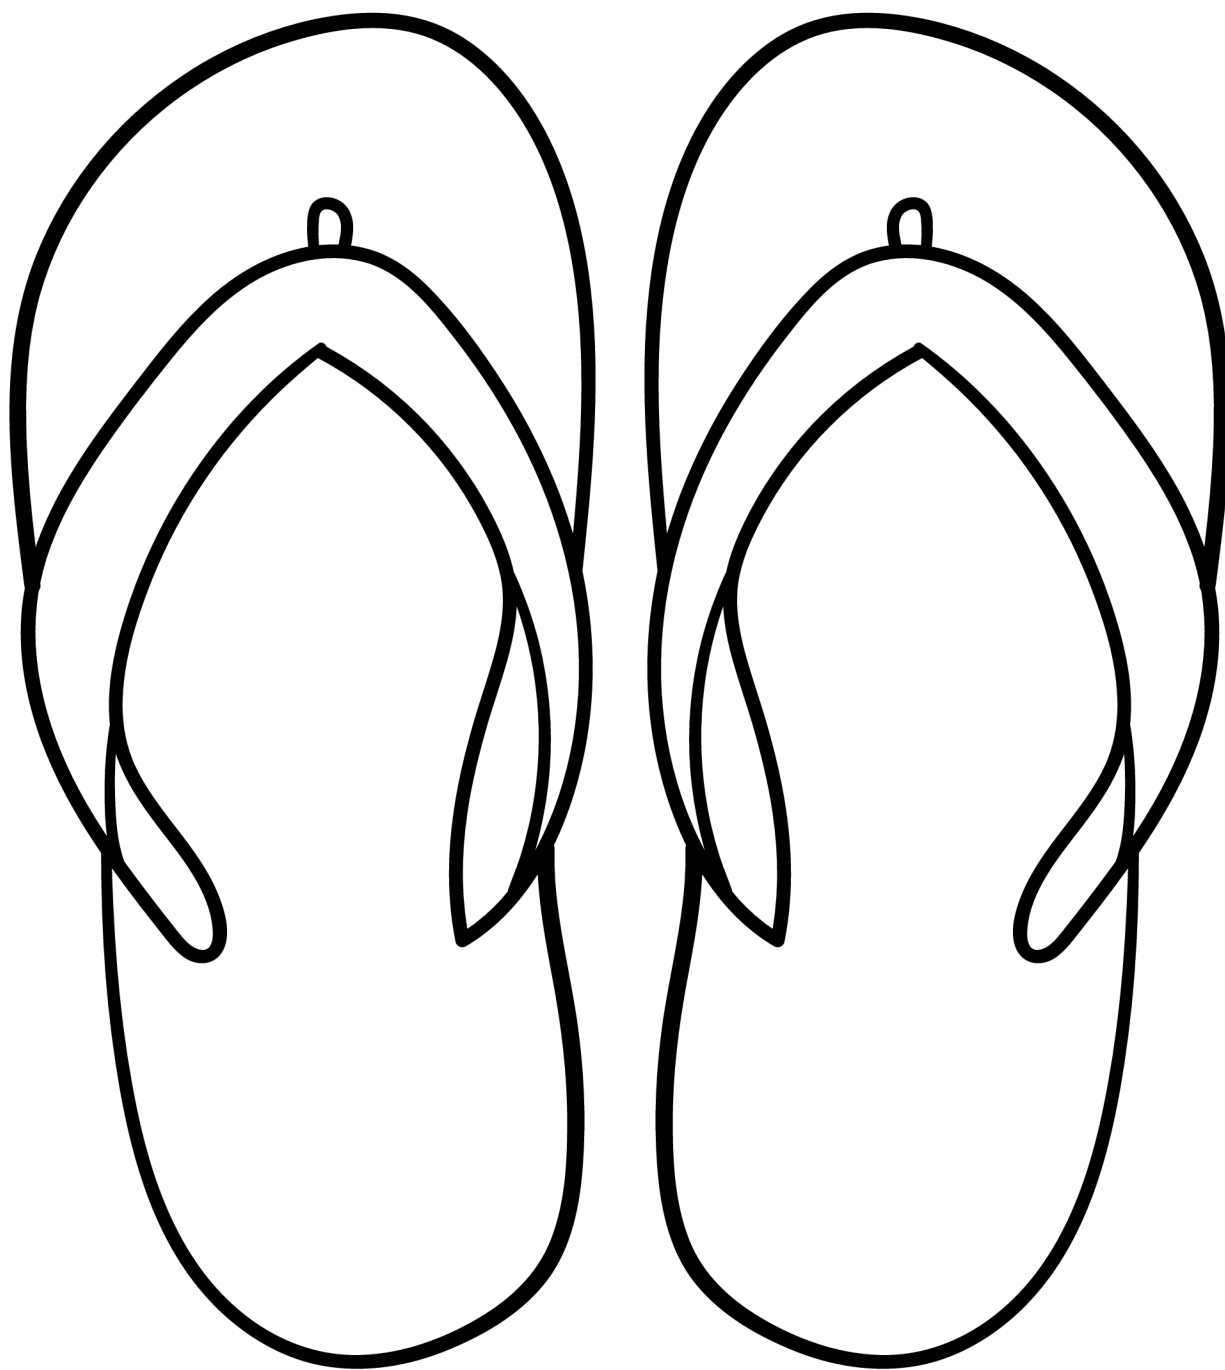

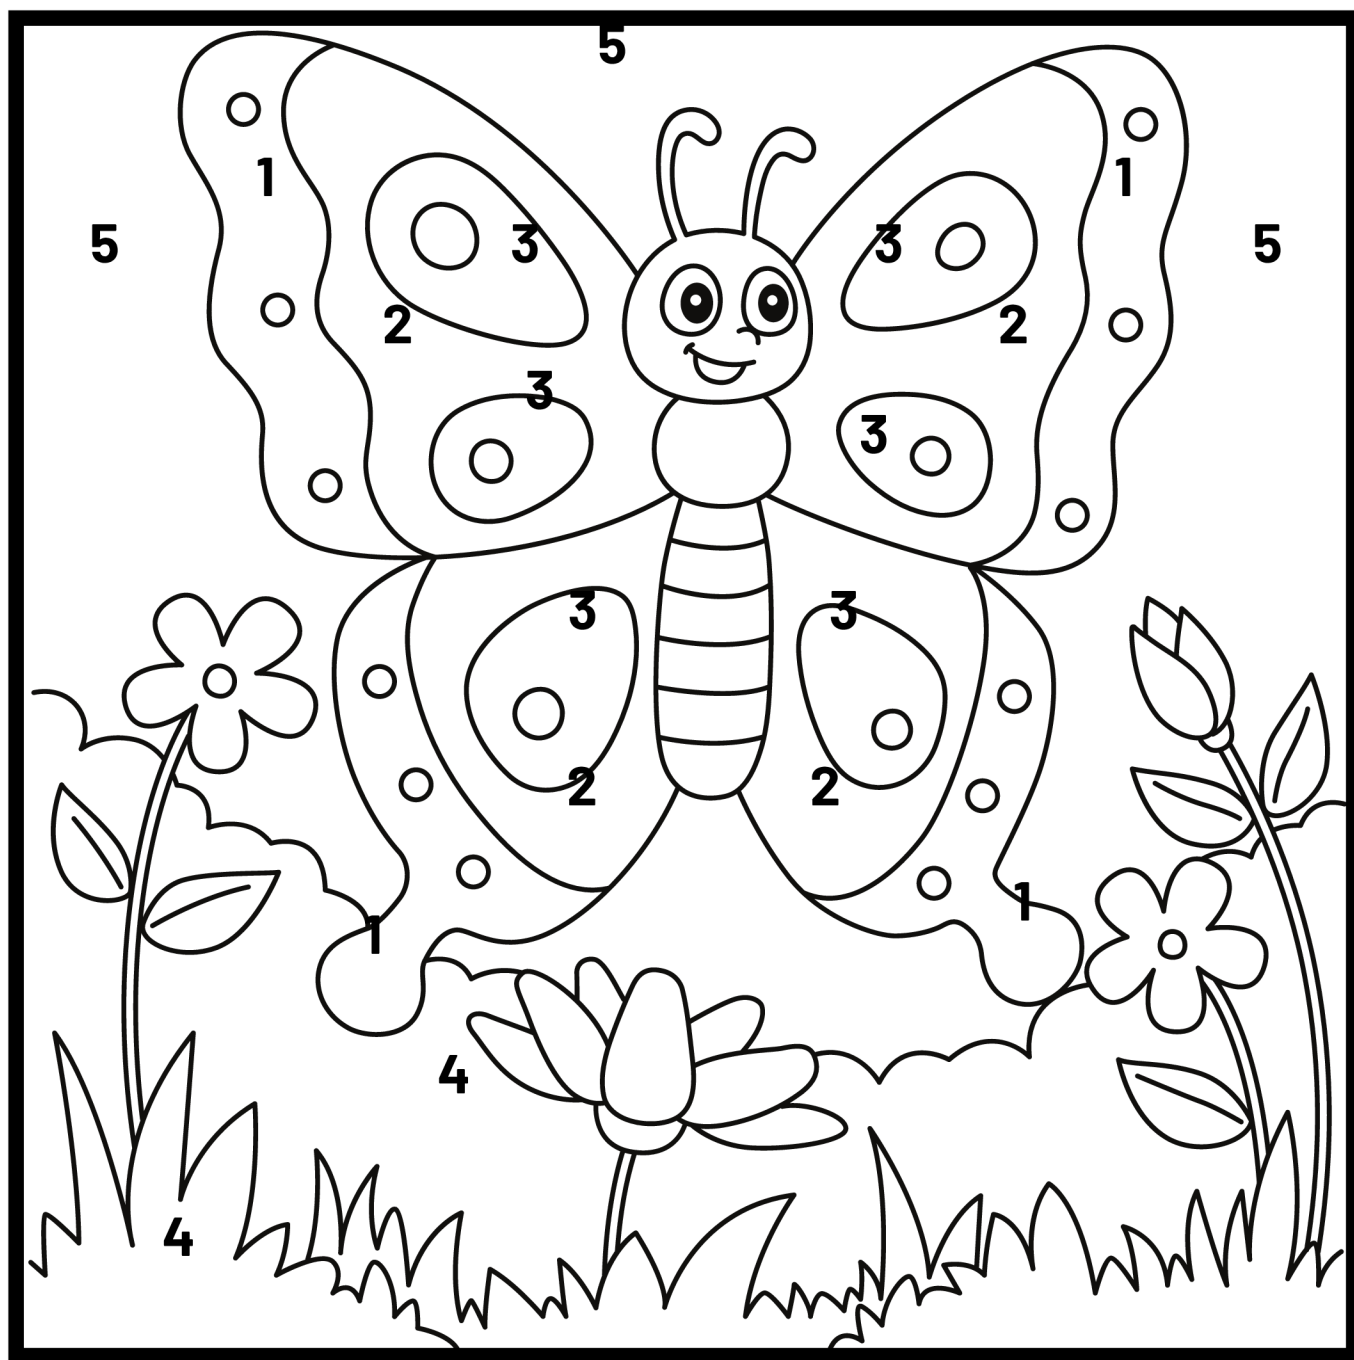

Many people love to wear flip flops on the beach. Design
and color your own flip flops.

Kaia loves flowers and butterflies. Use the key at the bottom of the page to color the picture.

1. pink 2. dark blue 3. yellow
4. green 5. blue

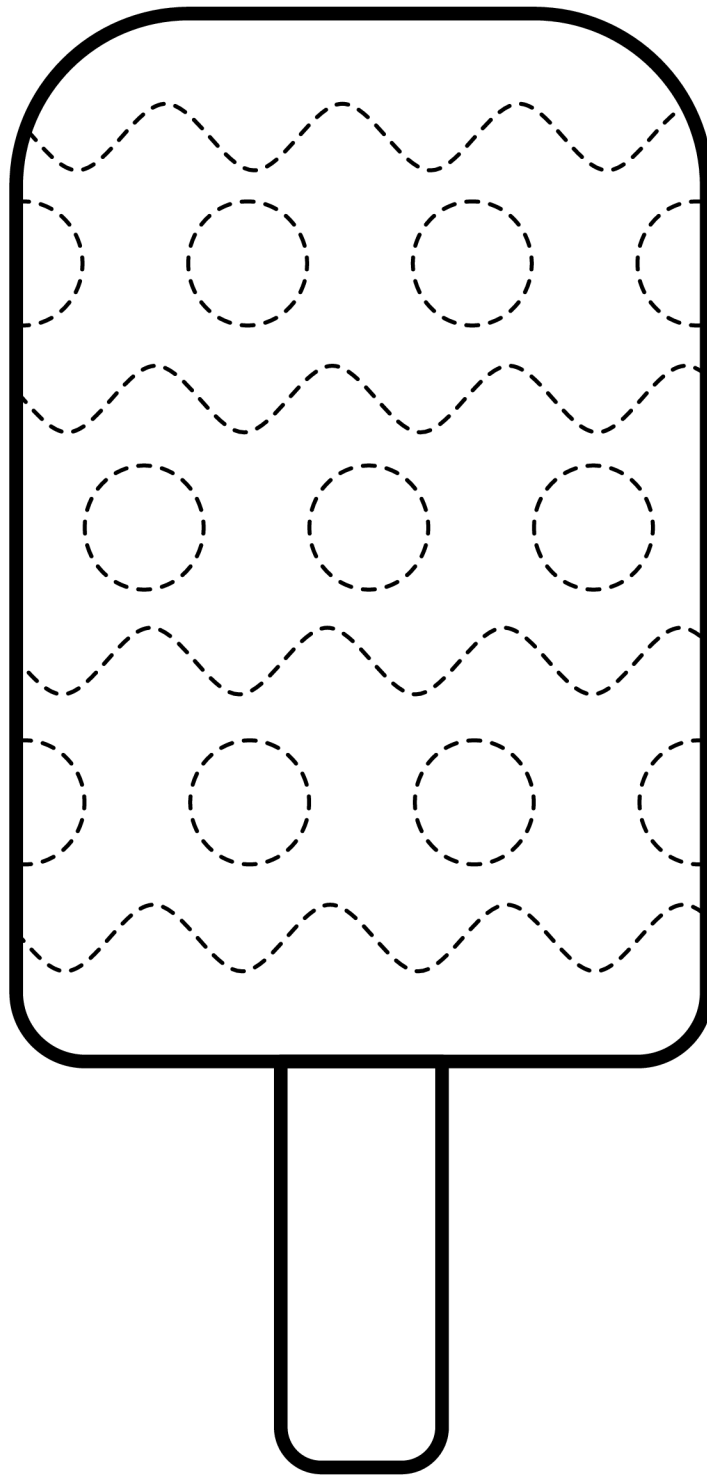

Kaia loves the feel of the sand jiggling between her toes.
Have you ever walked on sand? What did it feel like?

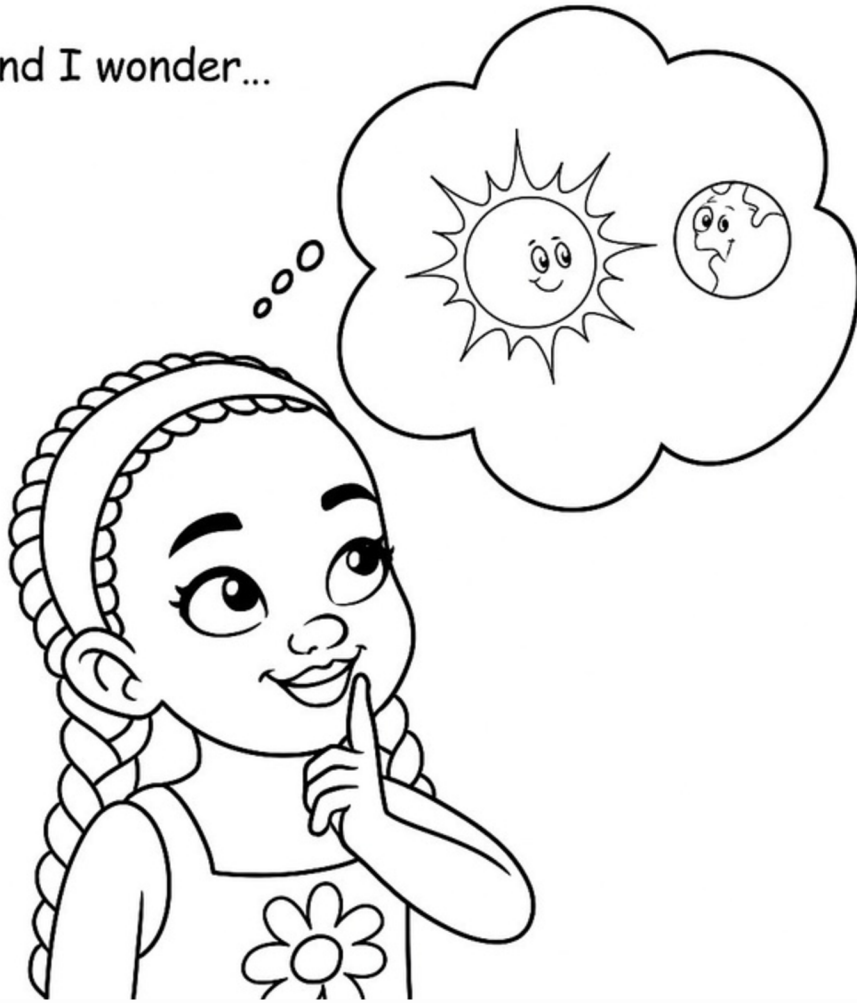

kaia loves to go tubing down the calm river. Do you think she's enjoying the ride? Yes _____ No _____
Why do you think so?

Kaia sometimes gets to have a popsicle after lunch.
Design and color your own popsicle.

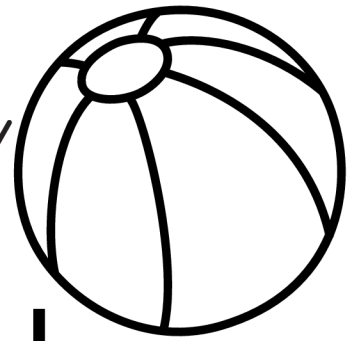

Can you finish Kaia's sentence?

And I wonder...

WATER

This is one hemisphere of our Earth. Color this page and join it with the hemisphere on the following page.

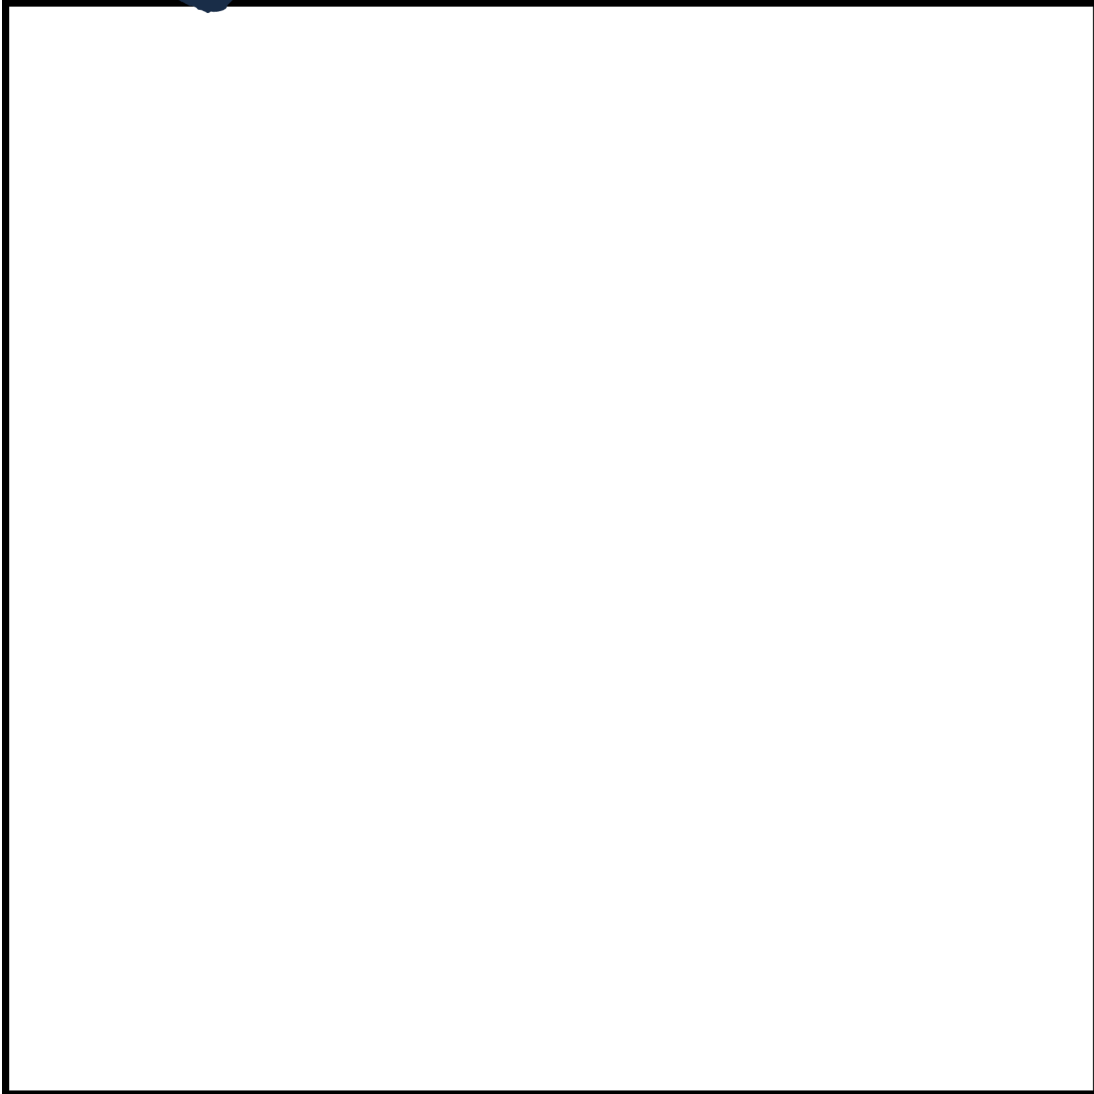

Color Earth's two hemispheres and tape them together to form one world.

AWESOME JOB!

Have a great school year!
